REMARKS

Applicants would like to thank the Examiner for the interview held on January 18, 2006. In response to the interview, Applicants file this supplemental amendment and have amended claims 12 and 21 to recite "upon determination that" language instead of using the term "when" in the claims. Applicants have amended claim 41 in accordance with the Examiner's suggestion to more closely recite language in the specification and overcome the corresponding 112 rejection. As mentioned in the last reply, support for claim 41 can be found at page 27, lines 13-27. Also, in accordance with the Examiner's suggestion, Applicants have amended claim 43 by replacing the word "use" with word "user" to overcome the corresponding 112 rejection.

Applicants are appreciative of the Examiner's willingness to continue prosecution of the present application and encourage the Examiner to call the undersigned Attorney if the Examiner feels that such a call would help expedite prosecution of this application. The Examiner indicated that he would withdraw the pending rejections based on the interview of January 19, 2006.

Applicant(s) hereby petition(s) for any extension of time which is required to maintain the pendency of this case. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 50-3735.
